Fringe Festival Preview

Our guide to navigating nearly 200 performances with ease

By Aaron Grunfeld, Special to Metromix

If you're looking for something to enjoy with your niece or nephew, you should check out the selection at Fringe JR and Fringe HIGH. A show like **"Two Girls"** will expand their horizons (in this case, the piece explores the role of youth in the fight against apartheid) while exposing them to theater beyond the empty gloss of Broadway.
